Old School Costume Day at Galaxy International School – Preschool

2025-10-02

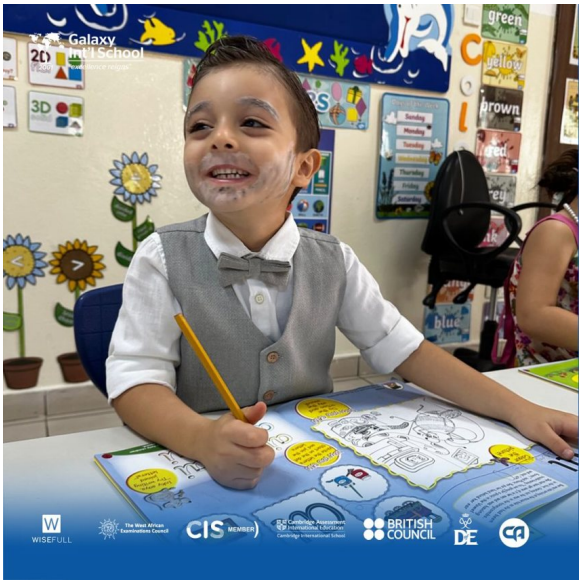

Our little learners at Galaxy International School's **Ashaley Botwe** and **East Legon branches** stepped back in time for **Old School Costume Day**! Dressed in adorable vintage outfits, they brought history to life with smiles, laughter, and playful energy.

The highlight of the day was a heartwarming storytime with Grandpa, who shared tales from the good old days. Children were engaged, attentive, and full of wonder as they connected with stories from the past.

Old School Costume Day was more than fun it was a learning experience that encouraged imagination, cultural appreciation, and social interaction. Moments like these demonstrate why

Galaxy International School is a **leading Cambridge International School in Ghana**, and why it is recognized among the **best private schools in Accra and Ghana** for nurturing creativity and holistic growth from the earliest years.

Celebrating Teachers at Galaxy International School

2025-10-07

To the hearts that inspire, the minds that shape, and the hands that guide — we celebrate YOU! At **Galaxy International School**, we honor the dedication and passion of our teachers who nurture excellence, inspire curiosity, and empower students to become confident, future-ready leaders.

Our educators embody the values that make Galaxy International School a **leading Cambridge International School in Ghana**. Through guidance, mentorship, and innovation, they shape not just academic success, but the holistic development of every student, reinforcing why Galaxy is counted among the **best private schools in Accra and Ghana**.

On this special day, we extend our heartfelt appreciation to all teachers for their tireless efforts, creativity, and commitment. Your work ensures that every student at Galaxy International School thrives, grows, and embraces the journey toward excellence.

SHS 3 Class of 2025

2025-10-14

Congratulations to the **Galaxy International School SHS 3 Class of 2025**! Years of dedication, hard work, and perseverance have led these outstanding students to this remarkable milestone. Their journey reflects the commitment to excellence and holistic growth that makes Galaxy International School **one of the best schools** nurturing future-ready learners in Ghana.

As they step into the next chapter, our graduates carry with them the values, skills, and confidence developed here at a **leading Cambridge International School in Ghana**. From academic achievements to personal growth, this class has shown resilience, creativity, and leadership throughout their time at Galaxy.

We are proud to witness these young individuals embracing **new beginnings, bold dreams, and bright futures**. The Class of 2025 exemplifies the excellence that keeps Galaxy International School among the **best private schools in Accra and Ghana**, inspiring the next

generation to reach for the stars.

Here’s to their continued success, the pursuit of knowledge, and the incredible journey ahead. Congratulations, Class of 2025!

Picnic Day Fun at Galaxy International School – Learning and Laughter Outdoors

2025-10-15

Galaxy International School recently hosted a lively **Picnic Day**, bringing students and teachers together for a day filled with games, laughter, and memorable moments. From fun team activities to delicious food enjoyed under the sun, the day celebrated friendship, collaboration, and the joy of learning beyond the classroom.

The event encouraged students to connect in a relaxed and playful environment. Whether participating in team games or sharing a meal, students strengthened friendships, developed teamwork skills, and enjoyed quality time with teachers. This combination of fun and learning exemplifies why Galaxy International School is a **leading Cambridge International School in Ghana**, offering experiences that nurture confidence, creativity, and character.

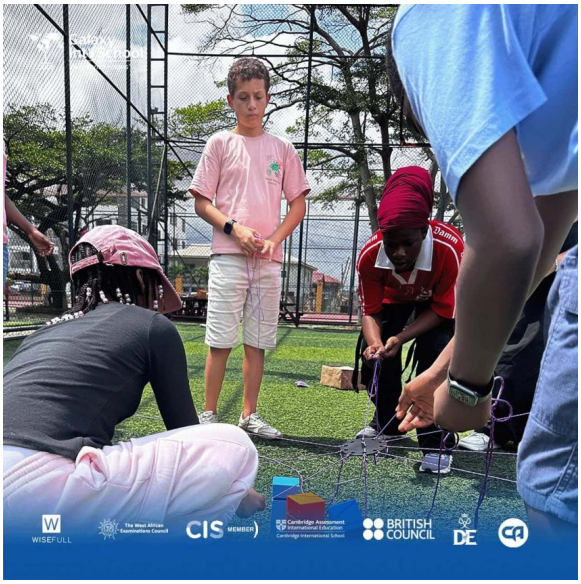

Beyond the laughter and games, Picnic Day reinforced a strong sense of community, one of the reasons Galaxy International School is counted among the **best private schools in Accra and**

Ghana. Events like these help students grow holistically, creating memories that last long after the school day ends.

Galaxy International School continues to provide moments that shape happy, engaged, and confident learners — one picnic at a time.

Family Painting & Art Therapy Day at Galaxy International School

2025-10-16

A Celebration of Creativity, Wellness & Togetherness

Galaxy International School was filled with vibrant colors, joyful energy, and meaningful connections as families and students joined us for our **Family Painting and Art Therapy Day**. This special event was designed to promote **creativity, emotional wellness, and strong family bonds**, while giving students the chance to express themselves freely through art.

A Day Filled With Purpose

The event created an inviting and relaxing environment where families could sit together, share ideas, and create beautiful artworks side by side. More than just painting, the day focused on:

- **Strengthening family relationships** through shared creative activities
- **Encouraging emotional expression** in a safe and enjoyable space
- **Boosting confidence and communication** among students

- **Celebrating creativity as a form of learning and healing**

Parents had the opportunity to observe their children’s artistic process, while students enjoyed seeing their families participate in their world of imagination.

Art as a Tool for Wellness

Art therapy activities guided participants to use colors, shapes, and patterns to explore their thoughts and feelings. This approach helps:

- Reduce stress and anxiety
- Improve mental clarity and mindfulness
- Enhance social interaction
- Build self-awareness and emotional resilience

Our goal was to create a memorable experience where families could reconnect and students could thrive emotionally through creative expression.

Strengthening Our Community

Events like these reflect our commitment to **holistic education**, ensuring that every learner grows not only academically but also emotionally, socially, and creatively. By engaging families in our school activities, we continue to build a warm, supportive community where students feel valued and connected.

We are proud of the beautiful artworks created and even more proud of the smiles, conversations, and bonding moments shared throughout the day.

Together Toward Excellence

At Galaxy International School, we believe that creativity opens doors to understanding, empathy, and global citizenship. Our Family Painting and Art Therapy Day perfectly captured this mission—bringing families together through the power of art.

Regional Institute 2025 at Galaxy International School

2025-10-27

Regional Institute 2025 at Galaxy International School – Panels, Seminars & Global Education Dialogue

Galaxy International School proudly hosted a full day of **professional development sessions**, featuring panel discussions, seminars, and collaborative dialogues with **international school counselors and university representatives**.

Participants explored key issues in global education, including

- university admissions trends,
- student guidance strategies,
- scholarship pathways, and
- challenges affecting learners in Sub-Saharan Africa.

The event strengthened cross-border partnerships and created new opportunities for students

seeking **international university placements**.

By bringing global experts together, Galaxy International School continues to champion academic excellence, student empowerment, and worldwide learning opportunities.
