Intercultural Festival 2026 – Cultural Exhibition & Traditional Cuisine

As the celebration continued, the Intercultural Festival moved from vibrant performances to an engaging cultural exhibition, where participating countries proudly presented their heritage through beautifully designed stands. Each booth showcased traditional artifacts, national symbols, and authentic cuisines, offering guests a rich and immersive cultural experience.

Students, parents, and visitors had the opportunity to explore diverse traditions, interact with representatives, and taste traditional dishes prepared to reflect each nation’s identity. The display of traditional attire further highlighted the beauty and uniqueness of cultures from around the world.

This segment of the festival truly embodied the theme **“Legacy of Culture: Celebrating 20**

Years of Harmony,” creating meaningful moments of connection, learning, and appreciation for global diversity.

20th Annual Cultural Festival at Galaxy International School Celebrates Legacy of Culture and 20 Years of Harmony

2026-02-21

Galaxy International School proudly hosted its **20th Annual Cultural Festival**"Legacy of Culture – Celebrating 20 Years of Harmony." The grand event brought together students, parents, educators, invited guests, and dignitaries in a colorful celebration of global unity, diversity, and cultural heritage.The Cultural Festival has become one of the most anticipated annual events at Galaxy International School in Ghana, reflecting the institution's commitment to multicultural education, global citizenship, and peaceful coexistence.

A Celebration of Global Cultures

The 20th Cultural Festival featured vibrant performances of traditional music, dance, fashion, and international cuisine from different countries around the world. Students proudly represented their cultural backgrounds, showcasing the beauty of diversity through artistic expression and storytelling.

From African heritage displays to Asian traditions, European folklore, and Middle Eastern cultural presentations, the festival demonstrated how cultural diversity strengthens communities and builds mutual respect.

National Leaders Advocate for Unity and Civic Education

The Chairperson of the **National Commission for Civic Education (NCCE), Madam Kathy Ann**, addressed the gathering and emphasized the importance of instilling cultural tolerance and civic responsibility in young people.

She highlighted that teaching children to appreciate diverse cultures, religions, and beliefs from an early age fosters peace, love, and unity in society. According to her, embracing cultural identity while respecting others is key to building a harmonious nation and a peaceful world.

Also speaking at the event was the Member of Parliament for Madina, who reinforced the importance of teaching strong values and virtues to children. He noted that although people may differ in race, religion, nationality, or tradition, humanity remains one family.

He stated that unity, respect, and shared values are the foundation of a functional and harmonious society.

Promoting Peace, Diversity, and Harmony in Education

The Cultural Festival at Galaxy International School is more than a celebration — it is an educational platform designed to expose children to global cultures and values. By encouraging students to explore traditions beyond their own, the school nurtures tolerance, leadership, and intercultural understanding.

Over the past 20 years, Galaxy International School has consistently promoted diversity in education, character development, and civic engagement. The 20th Annual Cultural Festival stands as a testament to the school’s legacy of cultural harmony and excellence in holistic education.

As the theme suggests, “Legacy of Culture” is not only about celebrating traditions but about passing down values of unity, respect, and peace to future generations.
