Art Day at Ashaley Botwe Campus

2026-04-17

Galaxy International School proudly celebrated **Art Day** at the Ashaley Botwe Campus, where creativity and imagination took center stage. Our students expressed their ideas through colors, artistic techniques, and unique perspectives, transforming simple materials into meaningful works of art.

Celebrating Creativity

From painting to drawing, every activity allowed students to explore their talents and showcase their creativity. Each artwork reflected individuality, confidence, and the joy of self-expression.

Inspiring Young Artists

At Galaxy International School, we believe that art plays an essential role in a child’s development. It encourages creativity, builds confidence, and helps students communicate their ideas in innovative ways.

Art Day was a wonderful reminder of the importance of nurturing creativity and supporting every student’s artistic journey.
