2026-10-01

Students of **Galaxy International School** demonstrated outstanding confidence, communication, research, and public speaking skills at **The Orators Public Speaking Challenge**, held at **Academic City University College**.

The competition provided our students with an opportunity to step beyond the classroom, express their ideas confidently, strengthen their critical-thinking abilities, and compete alongside other young speakers. Their impressive performances resulted in several special awards and Gold, Silver, and Bronze medals.
